

To Whom It may Concern

This letter served to confirm that Sheffield Forgemasters International purchased 2 X 250/15 Double Girder EOT cranes from Henan Weihua Heavy Machinery Co.,Ltd in July 2008.

These 2 cranes were installed in May 2009 and had since operated in excellent condition. We are please with its performance and the services provided by Henan Weihua Heavy Machinery Co. Ltd, be it Pre Sales or After Sales period. This Chinese company always tried their very best to understand our technical requirements and go the extra mile to satisfy our needs. Henan Weihua Heavy Machinery Co. Ltd is our Strategic Partner in satisfying our future needs and requirements for Cranes, because they provide us with highest Return on Investments.

We reckoned that Henan Weihua Heavy Machinery Co. Ltd is a professional Crane manufacturer and has met our requirements and will not hesitate to recommend their products and services to any companies in the world that require their products.

Yours Sincerely,

NAME

S. SMITH

Director Engineering
